

BRYAN SARGEANT SCHOLARSHIP AWARD

OBJECTIVE

Bowl Canada's **Bryan Sargeant Scholarship Award** has been instituted to give back to the association's membership by supporting their families' endeavors in their quest for continued education in a post-secondary environment. Beginning in 2026 and continuing annually, one scholarship of \$1,000 will be awarded to a child or grandchild of a Proprietor or General Manager of a Bowl Canada member centre.

The scholarship may be used to develop and acquire skills aimed to support the bowling centre, or to launch the child/grandchild into another field of study entirely. Either way... as the member's family benefits, Bowl Canada's family at large grows stronger as a result.
